**WeWantOurFuture.org** is a non-profit student initiative with the goal to challenge students to dream about their future in space. Collectively, 100,000 postcards like this one will be used as a cohesive voice of student dreams & demands for space exploration.

-----  
Draw a picture of your dream of space on the front (flipside), write about it on the back (this side). Cut along dotted line, this sheet makes two postcards  
If thin paper is used, please beware of markers that bleed through paper
